“ Beautiful Donna was a wonderful friend. After our children were grown, we didn't keep in close contact, but I will always count her as one of the very important people in my life.

*During the time we were rural neighbors we shared enterprises such as working with cub scouts, raising bantam chickens, rescuing abandoned cats and dogs, and planting interesting things with varied success. One of the things that made Donna a fun person was that she always had an idea for a new adventure.*

*Donna was a true Christian Believer. Her unwavering faith was inspirational to me and, I believe to many others.*

*My sincere prayers, sympathy, and love to all the members of Donna's family.*

“ Donna was my next door neighbor when I spent time at Greenbrier Skilled.  
She was such a very nice lady and she insisted on giving my sister and me  
Pepsi. I am sorry to hear that she is gone. She will surely be missed by  
her family and friends. Prayers for her family at this sad time. Retha Cady

Grandma was so full of life even after dealing with all of the stressors life threw at her. She overcame so much. She is finally shackle free, Praise Jesus!*
