“ My Dearest Do - I am now back living in Germany where forty-five (45) years ago our paths crossed. You helped me leave here in '79 - and all the years past you were the boys and my safe haven for comfort and love. Your door in Pennsylvania was always open and your arms a loving welcome - you were my rock - and precious lady you own a part of my heart. Rest in peace dear one - you are loved.

“ We knew Dorothy through her kindness and welcoming hospitality over many years, as our families grew up. She had such deep and abiding care for children, and for seeing them grow well into adults...her own children & grandchildren, and the many others she treated as part of her 'extended family' One of the joys I always counted on was our pleasant Scrabble games sharing endless cups of tea.

Sharon, Alison, and Steve - Your dear mother was so loved and was so good to everyone who knew her. She will be missed by so many,

“ Dorothy was an amazing woman! She was always the first one to welcome you in and make you feel like you were part of the family. She had a seemingly boundless energy. I have so many fond memories of her and your family while we were all in Germany. One of my favorites was when we went to visit a castle, possibly in Heidelberg Germany and had a picnic by the lake and then all of us kids would just run wild...She was like a second mother to so many and will be greatly missed. Our thoughts and prayers are with you, and we love you all so much!!! Also, I cannot fail to mention her Fried Chicken. Delicious!!!!

“ Dorothy was my best friend for 52 years, and the sister of my heart. I have so many wonderful memories of Dorothy and Jerry and the children. We laughed and cried together, shared our joys, and comforted each other in our sorrows. She was one of the greatest blessings in my life and I will hold her in my heart forever.

To Alison, Sharon, Steven, and your families: may God comfort and sustain you in your grief. Love, prayers, and hugs.
