“ Doug was in my sister's class and grew us on the same mile section as we did. As a kid, I always knew he was a good guy. For a few years, he dated a close friend of mine and I got to know him a little better. He as always nice, smiling and genuine. My prayers are with everyone during this time of loss.

“ I did not know Doug real well but my wife Cinda and step daughters Laura & Sherri knew him and his family and talked of them often. Julie was like another daughter to Cinda. We all question of why he had to be taken so young in his life. Only one knows what the plan is for Doug. Our prayers go out to Julie, Dylan and the entire family. May God be with you at this time.

I knew Doug from school. He was ALWAYS the happy go lucky, fun fella to be around, and a fantastic friend. He was a leader on the basketball court as the point guard and a leader for our track team. His signature event was the half mile. He was a fierce competitor. I was a better athlete then and a better human now for knowing Doug. His laugh will be in my heart forever. Rest peacefully friend.
