“*Dave, you were a true friend. The funniest guy I ever met. I can't believe you are gone.*

I'll always remember all the wild and crazy times we had. In my Top 10 best nights and stories of my life, you were in about half of them.

You were extremely intelligent and had the gift of gab. You were fearless and pushed the limits. You were a force to be reckoned with. You stomped on the terra firma. You left a mark on everybody. You were universally liked. You were the life of the party.

You will be sorely missed my friend.
