“ *Sally was a beautiful lady and a great neighbor. She was up before sunrise to go to work for her family. During the flood she checked on us to make sure we were ok, even though Bud was ill. She always thought of other and enjoyed the neighborhood children. I have fond memories.*

“ Our thoughts and prayers are with Aunt Sally's family. We visited Aunt Sally often and she always expressed her love for her entire family. Aunt Sally answered questions about her youth and your family during our visits. She is our last surviving Aunt in the Olbert family and she will remain in our hearts forever. Donnie & Shirley

“ I was so very lucky to grow up down the road from my grandma Sally. I have so many memories of her but if I have to choose a favorite it was while I was pregnant with my oldest son. Every day at 4:00 She would make me fried potatoes and watch the MTV top 20 countdown with me. She was such a sweet, kind, generous hard working woman and a great role model. You will be missed grandma 🥺🥺
