“ Donna and Danny and families - I so sorry to learn that your mom has passed. I'm grateful I got to spend some time with her in 2015 and for the many ways she has made a difference in so many lives. I used the address book this morning that she gave me when I graduated from high school. She and your dad are the very first entry in the "M" section. Wish I could be there to celebrate her life with you. Blessings and prayers, Peggy McClanahan

Donna and Danny, so sorry to hear about your mom. She was a wonderful lady. She touched many lives in her career. Mom has a Dr. appointment tomorrow afternoon so we will not be able to attend the service. Her blood pressure has been really high since she broke her hip. I would have loved to see you.

Hugs and prayers.
