“*Kristi - My heart felt condolences to you and your sister. Your Dad was a good man and my father enjoyed working along side him at the Enid Fire Dept.. It is not easy parting with a loved one, especially a parent. Just know you are in my thoughts and prayers.*

“*Everette is part of fond memories of my childhood in Enid. A group of us in our teens at Davis Park walked together after evening services to the drugstore. These walking and talking sessions covered a wide variety of topics, some serious and inquiring, and some not so much. After our treat at the drugstore, the group would walk each other home with the girls being dropped off first. It was a safe and wonderful time in which to grow up, and I remember Everette with much fondness. He contributed much to the community, and I am sure to his family in his adulthood. You are in my prayers. I am sure all of you will miss him.*
