

Floyd Ray Pollet

August 22, 1953 - June 28, 2019

Our beloved Floyd Ray Pollet went to be with Jesus on June 28, 2019.

A Celebration of Life service will be held at Oakwood Christian Church on Friday, July 12 at 2:00pm. Visitation will be Thursday, July 11, from 5:00 – 6:30pm at Anderson-Burriss Funeral Home.

Floyd was born on August 22, 1953 in Clinton, Oklahoma. He is survived by his wife Karen Pollet; sister, Vicki Adams; children, Kelly Pollet, Lindsey Crow and husband, Nate, Steve Pollet and wife, Tiffany, Angie Qamoos and husband, Chris, Aubery Anderson and wife, Krissy, Rusty Anderson; 8 grandchildren, Jackson Caddell, Presley Qamoos, Braxton Pollet, Kayde Pollet, Kinsley Pollet, Averie Crow, Zoe Pollet and Amelia Crow. He was preceded to heaven by his father, Orville La"Ray" Pollet, mother, Maxine Roberts Pollet, sister, Gaylene Shurley. Floyd loved life and enjoyed hunting with his friend, Gary Germundson and his sons, Kelly and Rusty. He loved making deer jerky and chili for friends and family to enjoy. Floyd loved coaching student athletes in competitive sports during his 20 year coaching career. He had a successful career as an Administrator, but his passion was for Coaching. Floyd was inducted into the Coaching Hall of Fame for Oklahoma Girls Basketball Coaches Association in 2010. One of his favorite things in life was football watch parties and get-togethers with their close knit group of friends that called themselves the "Goofballs" and you know who you

are! Most of all, Floyd cherished memories of travel with his loving wife, Karen, and their friends Karen and Dean Berkenbile. He was proud of the fact that his father, Ray Pollet, was a World War II Veteran. Floyd shared all he knew about that with his children. All who knew Floyd, loved Floyd. He was a selfless man of integrity, a great husband, father and friend to all. This quote exemplifies who he was “Your life is as good as your mindset.”

Memorials may be made through the funeral home to MDA/ALS of OKC, Salvation Army or St. Jude’s Children’s Hospital. Condolences may be made online at www.andersonburriss.com.

“ *Mr. Pollet, you were nothing short of an amazing man. Your humor and positive attitude was never lost on your students, most certainly not this one. My wife and I loved interacting with you, both as kids, and as adults. You never skipped a beat. Even after years of not seeing each other, we picked up our conversation at one of the family dinners as if it was just yesterday. I will never forget the surprise or the smile you made when you learned that my wife and I had married after high school. Thank you for all that you were and know that you left a beautiful mark on this world. We love you and will miss you dearly.*

Sincerely,

“ Coach Pollett was one of my favorite "opponents" while playing basketball. I was fortunate to attend his summer camp at Helena. Even though I played for a rival school, he treated me as one of his own. Thanks Coach! You were an inspiration to the very end. See you later friend and prayers for your family.

“*Floyd was one of the strongest person I have ever known. Throughout his lengthy illness I never once heard him complain. I never saw him short fused or frustrated when his arms lost the ability to move, always counted his blessings, always positive, always inspirational, always a blessing to be around and when we left their house after a visit we were always uplifted and so glad we were able to be in his company. He had the most wonderful attitude. He loved his family dearly, adored his wife ,our niece Karen, and loved Karen's whole family like his own. There is an incredible void left by his passing but we are so happy that he is now in the presence of our Lord , whole and happy. Rest in peace precious one. Rest in peace until we meet again. “ I worked at Enid High for 13 years, all with Mr. Pollet either as my assistant principal and one year as my principal. He was the strongest administrator I ever worked for, held me to high expectations but always listened. My fondest memory was when he attended our "Circle of Friends Prom." His attendance demonstrated what a caring administrator he was. Please know I will hold your family in my prayers.

“ How do I put into words how Mr. Pollet shaped me into the strong woman I am today? He was the best coach, teacher and principal. Was he tough on me on the court? Did he yell at me till he was red in the face? Did he make the whole team run thru the whole gym class for stupid mistakes made by a couple? Yes to all. But it showed that he cared and he wanted me/us to be the best and never give up! Thank you coach. I'll treasure those memories forever. Rest now. Your life has been beautiful. Prayers to all the family.

So tough and soooo caring. I visited him awhile back and it was such a joy to hear him remember everything from my years playing for him. I'm so honored to have known such an amazing man and am so sad to hear he's gone. My thoughts and prayers with his beautiful family.
