“ *God brought us together as friends and in time and through love, we became family. You will be in my heart forever. Your life and legacy, will live on, through all who love you so dearly. I am one. I know you are in free and that gives me peace. Say hello to Jesus, for me and tell him I said "thank You" for bringing our families together to share His love and light. Lady of wisdom and Grace; You have gained your wings and have taken flight. I look forward to the day, we all reunite.*
