“ Kathy, I'm so sorry to just learn of your mother's passing. I was looking at our Uncle Larry's tribute and searching for our Aunt Alma's ( I still haven't found it.) when I found your mother's. To say it caught me by surprise is an understatement. I loved being included in Friday night dinners with your mom and dad and our Aunt Alma and Uncle Larry. My mother joined them May 3, 2020. Sending you hugs.

“ My first memory of Yvonne was when Uncle Ken brought her to Grandpa's house to show her off to the family when I was about 9 or 10. She made a big deal out of what a nice picture I took of her and Uncle Ken. Better than 50 years later I understand the stress she must have been feeling that day, meeting so many new family members and trying to make a good impression. In hindsight, the family should have been worried we might not measure up. Happily, she decided to stay and we became a better family because of it.
