*I had been asking about Sis Whiteman for quite a while but couldn't get any info until I got the name of the Enid newspaper and looked this up. I met Sis Whiteman at the House of Prayer campmeeting in Enid many years ago. Bro Leo showed us his harmonica collection and played beautifully. We stayed all night with her when we came to Oklahoma for campmeeting. The last time I saw her was when Nathan brought her to the church for camp. She was so grateful for him moving home to care for her. We wrote many letters back and forth and I have a lot of them still. She told me how she and Sis Navarro would pray together each day on the phone for every request they received. She missed Sis Navarro so much when she passed on. I plan to spend a lot of time with my precious sister when I get to Heaven some day. I miss her so much but know she wasn't well for a long time. Goodbye my dear friend. Love from your friends in Kentucky..*
