“ This man was given the ministry of healing. I give God the glory for putting Frank into my life. Without him, I would be crippled. I loved to tease with him during appts and we'd go back and forth. Such fun.

Hazel, the two of you showed me how to reach out into life and live it, since age is just a mindset. I pray for you during this time. Your faith is strong.

“ I will never forget meeting Frank. Hazel, Frank, Jamie and I riding on the ski lift, singing "Going to the Chapel" and then standing on the side of Mt. Heavenly for the marriage ceremony. What a jewel he was!

There will be many memories of Frank that will live on in my mind. Sending love to my long time friend Hazel and all of Frank's family.
