“ I worked with Gayle for years at St Mary's. No matter what the reason, Gayle always met me with a genuine smile and attitude. She was dedicated and trustworthy. The best of St. Mary's. I will miss her as I often think of her.

I always admired Gayle for her love of her family from her grandmother to her grandchildren. She drove 20 miles to church at Pond Church nearly every week. Love you Gayle much.

Gayle was already on staff when I joined St. Mary's Hospital. We worked together for most of our 40 years. You might say we became fixtures working on the Orthopedic unit. She willingly helped her coworkers when ever asked. She was easy to laugh and smile. Gayle was committed to caring for her boys, coworkers in need, and devoted to her church. She was a friend you could always count on. Rest well..your shift is over.

Bless you
