“ *Ms. Geneva will be missed, by so many. She was a kind, loving, honest, sharing, funny, opinionated, unselfish person. I had the honor of having her as a mother-in-law and a grandmother to my two children. She always made me feel like I had a place, in her family. She and Morris would always keep the grand kids laughing. Morris would come up with a funny nickname, for the grand kids and Ginny would get onto him, for teasing them. Now they can laugh together, again. We'll miss you.*

“ *Bro Morris and Sis Geneva opened their arms to us and treated as gold! Shared their lifetime stories and showed us the great ability God gave them with their hands and love. Their laugh was infectious. We will never forget their beautiful voices raising up God and His love. The joy in their heart in serving God was out loud, in their body language, not ashamed of their God and His power. She was a jewel, a woman of God. Prayers for the great loss the family has come to!*
