“ *Genevia was always kind and loving to me. We shared many hours talking about the joys, the disappointments and the hardships we had endured in life. She worked hard to be loved. She enjoyed to hear stories about far away places that she wished she could travel to. Genevia always put her children and grandchildren first and loved them with her whole heart. She and my father in law Theron Dee Kitchen, Sr. were always there to help and assist their children and grandchildren, above and beyond. Often putting their own desires aside. While Genevia was my step mother in law she treated me and her step grandchildren Shawwna Kitchen Virmontes, Thomas Keller, Will Keller, Rebecca Kitchen Timmons, Michael Keller, Theron Joseph Kitchen, Michaela Kitchen, and Madelyn Kitchen and 12 great grandchildren with love and respect. Never forgetting their birthdays or Christmas and calling often to check on them, always offering to help. Their step grandchildren often tell stories of times that were spent together with Genevia and Dee, wonderful memories. Her and Dee's legacy will be missed but not forgotten through the love and sacrifice they showed others. As promised masses at St. Francis Xavier. I will pray for you sweet lady.*
