“ *Mrs. Bumpus was one of my most favorite teachers ever. The way that she cared about each individual student was something that made me feel very special. She made learning fun and had fun teaching us. I always loved her and have thought about her often over the years as I knew she was a very strong single mom. She was an inspiration to so many of us.*

“ *Denise and Dana, I'm so sorry to learn of Georgia's passing! Donnie Holloway just called to tell me. Georgia and I worked together off and on for years. She started in Enid and then was promoted and moved to Dodge City and worked with my brother, Gary Goad. Later she came back to Enid after the Dodge City office closed. We sure had a lot of fun together! Great friend! Phyllis Coup, Maize, KS*
