“ Remembering your families in sympathy and love as we celebrate the life of Georgia and a life well lived as family and friend to many. Georgia and Angie had many fun times working in the kitchen at St. Francis as we prepared for many celebrations. We shared work...laughter and friendship in raising our families many years ago. Peace and Love to All

“ We go back so far and yet not so much in recent history. We've lived far apart for 50 years without much contact. Tom was in my Waukomis class and Georgiana in Darlene`s. Hard to believe so many of us have passed away. Bless her and Tom. They were a special part of our lives.

“ *Sending lots of love and prayers.*

Georgiana and Tommy are part of my childhood memories of a church community that opened their arms to my family when we moved to Enid. They always had a smile and hug for me every time I saw them.

Thank you both.
