“ My earliest memories of Jerry Knouse began back in the late 70s when I was stationed at Vance on active duty. My partner, Ed "Stump" Clark, and I would regularly visit the Egress Shop to evaluate their work for the AF. Stump was a dedicated Georgia fan and didn't like OU's football team, at all. He would constantly bet with Jerry and Cookie against OU. Jerry and Cookie just loved taking his money, and always welcomed Stump back to the shop, laughing like two hyenas as they expertly fleeced him and sent him out the door. I know two of Jerry's sons, Gary and Wendell, and I have thoroughly enjoyed working with them over the years. I readily offer my condolences, and my heart goes out to the entire Knouse family.

Most respectfully, Jerry Gailey.

“ Jerry was always very supportive of me when I took over the Legion command. He grumped about everything, but in the best of ways. I enjoyed his sense of humor! He will truly be leaving a hole not easily filled in our post.

“ Evie, Wendell, Gary, Gene and families.
So sorry to hear of Gerald's passing. He was such an influence on me
when I was young. So many good
memories. It was a day to remember
When I could visit with him later in life he had a way of bringing a
smile to my face. A great man whom I was blessed to have had as
an uncle.

It would be hard to share just one memory of Jerry, I have so many! We shared many years of friendship, going to Nashville several times to see Fan Fair and going to Opry Land Park, the Opry Land Hotel and the Grand Ole Opry, going to Twitty City and many trips to Branson. I can't leave out "the anywhere within driving distance" Conway Twitty Concerts and then many, many times of just being together and playing Pinochle. He was kind, he was funny and he would do anything to help you. He was a wonderful friend to Larry and to me. I will miss him.
