“ Elaine, Kevin, Becky, Kenny and families  
So many memories shared growing up but the times I remember are football games and craziness on New Years eve together and Glens big ole smile and big heart. We were always at home in your living room or drive way! The trips you and mom and dad took to OU Texas games. He was everything I admired in a dad and husband. I love each of you and are praying for you now and the days ahead.
