“ Dick, it's been years since I talked to you and Glenda, but for some reason, you all have been on my mind lately. I decided to call this morning, and when I googled Glenda's name, her obituary came up. I'm so sorry to learn of her passing. She was a wonderful person and I know you and your family will miss her terribly. My heart goes out to you.

“ Dick, I'm sure this will be a solemn day for you. Glenda was a sweet and caring woman, wife and mother and I know you will cherish her memories. I can't make the funeral today as my daughter Sarah is in town from San Antonio and is leaving around noon today to head back to Texas. We had a nice conversation about you and she remembers you from Hayes has fond memories of you. I just wanted you to know that you and your family are in our thoughts and prayers. Let's get together soon and have lunch. Gary Bruce. ❤️

“ *Glenda was an upperclassmen of mine at Waukomis High School. She was an ideal role model. She was so kind, energetic and generous. Later in life, I had the pleasure of teaching with her husband Dick. Glenda had to be a wonderful wife. He was always so complimentary of her and always spoke of her in a positive manner. My thoughts and prayers are with your family.*
