“ *I remember as a kid when our family went to Oklahoma in 1950. My parents Clarence and Agnes, my brothers Cliff and Larry and me Chet. Well Glen gave me and my Dad a ride in his Model A Hot Rod and it was loud and fast and bumpy and I was so impressed how Glen could handle that car and I thought he was so cool of a guy. That impression started my love for cars and I have a hot rod to this day thanks to Glen. What a great memory I have of him.*
