“ *I am sorry to hear of you mother's passing. I'll always remember her and your father's visits to my father and mother (Jack & Mary Adie). My father and your mother were very close. In fact, your mother was in my father and mother's wedding party. Your mother had a wonderful sense of humor which she probably acquired from your grandfather Ralph who was always the life of the party. My deepest condolences - Jack(ie) Adie*
