“ My father was a wonderful man. He worked hard to provide the best life he could for us. He did the very best. We didn't have the very best, but we didn't have the worst by any means. We always had what was necessary. I remember when I was young. He would put me on his shoulders and made me feel like I was on top of the world. He was kind, caring, respectful to all who crossed his path. From opening a door to volunteering his time to the community. I was lucky to call you Dad. Thank you for all the wonderful memories. I love you and always will.

I first met G.E. when he and Jim Butricks came to PEGASYS to volunteer. They were amazing...taking on camera operations, then advancing to operating the remote truck productions. They made possible our fund-raising live televised auctions. Most of all, they were the best friends anyone could hope for. Recently, I enjoyed going to lunch with G.E. and Deanna. Such wonderful, loving, fun, smart people. I will miss those times with G.E. He was a tough guy with a true, sweet heart. Now he is with his beloved Shirley. Praise God. -- Wendy Quarles

*I can't believe it's been 10 years.. I grew up with Graham and Shirley's kids back in Lemon Grove, CA. We had some good times and made some great memories.. I heard about Majors passing a few years after the fact but I got to thinking about him and came here to express my condolences... I bet he's up there tossing horse shoes and watching car races ...*
