“ Harry was my first roommate in the Air Force at Travis AFB in California. We would travel to San Francisco on weekends in his old 1956 Ford. I saw there were tornadoes in Enid and thought about him. He was a kind man.

“ Harry was my boyfriend for a short while back in the 1970's. He was a good man, and always treated me with respect. We decided to just be friends and that worked out better for us. For some reason he was on my mind, so I checked to see if he was online and found out he had passed.
