“ Harold was a long time volunteer at St Marys. Even before covid he would come to the hospital to visit. He always was looking after his wife and he spoke of her fondly. He will be missed. He volunteered with my mom Ruby Young for years. They would always tease each other. My thoughts and prayers are with his family!

“ *Herman has such a sweet soul and always a smile on his face. I work at The Commons where I was blessed to see him weekly. With such sweet spirit he would walk our halls and make sure to brighten everyone's day he came into contact with. He made a difference in people's lives. Please accept our condolences and prayers during this difficult time.*

“ *To the family, I'm so sorry for your loss. I work for St. Mary's, had the pleasure of talking with Herman many times, usually at least once a week. His sweet nature, giving heart and unfailing smile always brought a smile to my face. Thank you for sharing him with us.*

“ Uncle Herman was as nice a human as there could be. Always interested in how you were, and always kind. As we grew up away from Oklahoma we didn't get to spend a lot of time with Uncle Herman, but he always impressed me, he was a very admirable person. I do recall that he was not one to sit still for too long. While my Dad was still with us, Uncle Herman was delivering/driving a car from Florida, I think, for one of the dealerships and stopped to spend the night with my Dad in Arkansas on his way home. I know it meant the world to my Dad and we all really enjoyed his visit. I also remember how important the Lord was in Herman's life- and his devotion spoke to me. Sending love, prayers, comfort and strength to Leona.

“ When I worked at Bass Hospital he would make his rounds visiting and he would always stop and ask if I had time for a coke. Somedays I had time and some days I did not. I always enjoyed visits with Uncle Herman. I came home to Oklahoma to visit once and we stopped by the house to visit with him and Leona but he was on the go as he always was, we were leaving early the next morning and Herman showed up at my parents house to make sure he got to see us and give us hugs. You are in my thoughts and prayers Leona. Love you!
