“ I was sad to hear of cousin Mikes passing. He was just three years younger than me so I have many good memories of us playing together at our houses. It was a special time as all of our grandparents, aunts, uncles, and cousins lived and grew up just a few blocks from one another. We were blessed to grow up together and in families with strong faith. Rick & Sheryl Bushnell

“ Our hearts are heavy to hear of Cousin Mike's sudden passing. We are thinking and praying for Mary, children and grandchildren. What a beautiful legacy we share as extended family from Grandfather and Grandmother Bushnell. They planted seeds of faith and love for Christ in the hearts of their children and those seeds continue to flourish today. I look forward to seeing Mike again in the next life. Thank the Lord for the precious promises of a resurrection. May God's comfort, strength, loving presence and peace fill your hearts.
