“ Jim and I went through a lot together, and there is no room here to relate it all. I will miss him tremendously. *Jeri V. Cook*

“ Jim was an awesome guy. Met him while he worked at the Federal Transfer Center as an Aviation Security Officer. I was first intimidated by him but, soon, found out he was a super guy. Loved listening to the stories he told and he was one of the first officers to welcome me to JPATS. He took no crap from anyone and taught me a lot. Peace be with you, my friend.

“ Jim and I went to High School together and we have been friends for going on 61 years. He was a great, great guy. If Jim was your friend you had a great friend. He was the worlds best story teller, I mean he could hold your attention, just reading a menu.

I lost my wife 13 months and 23 days ago. And this short poem helped me, I hope it helps you, Good Bless You Wanda

I am home in Heaven, dear ones:

*Oh, so happy and so bright!
There is perfect joy and beauty
In this Everlasting Light.
All the pain and grief are over
Every restless yearning past
I am now at peace forever,
Safely Home in Heaven at last.
Dear one, do not grieve so sorely,
For I love you dearly still;
Try to look beyond earth's shadows,
Pray to trust Our Father's Will.
When your work is completed,
He will gently call you Home
Oh! the rapture of that meeting
Oh, the joy to see you come!*

See you again buddy,
