“ Tom was a good friend of mine. I met Tom in the 90's at the Dallas Safari Club monthly meetings. He was a hunter. Tom and I hit it off very quickly and became fast friends. I will never forget when Tom told Susan and that he had met someone really special. Rita . Tom was a great conservationist and one of the greatest big game hunters in this world. He loved the hunt. God Speed Tom Montgomery. I will see you and hunt with you again someday. Find us that trophy Tyrannosaurs Rex area and scout one for us when I get to see you again. I will miss you my friend .
