“ *Jana was my favorite aunt. She was the person I always looked forward to seeing at family gatherings. Her smile always brought me comfort. She was kind, giving, caring, and so much fun to be around. I will always remember the sound of her laugh. She was wise and insightful. I learned so much from her in the short times we were together. From plants, animals, rocks, books and wine to family and love. She left us too soon and she will be greatly missed. My heart goes out to David, Jessica, Josh and the entire family. “ *Jana was my next door neighbor and childhood friend. She and her sisters along with my sister and I spent many happy hours as kids playing outside and when the weather was bad at each other's houses playing board games. Her dad made them a street legal dune buggy and we had a blast running around in that thing with her. She was such a sweet friend and I am going to miss her. Prayers for her family in her loss.
