“ I am so sorry for your loss. I feel blessed to have been able to help care for Miss Jane. Bob, I was able to get to know both of you better by hearing all the interesting stories of how you met and all you have done together. You and your family are in my thoughts and prayers.

“ I'm so sorry for your loss. Thank you for the privilege of coming into your home and becoming a part of your lives as well as Jane's life. It was interesting to hear her story and how she came to live in Waukomis. Our lives are enriched because of Jane and her family. I hope that we have been able to enrich your lives too. God bless you at this time.
