It was a pleasure knowing Jennies. She had a very special place in my heart. Mary and I would talk often about Bill, Jennie and the family. Mary loves the Orban family and so I felt I was some what a part also. Prayers, thinking of you all.

“ *My sweet Nandy. My heart hurts but I'm so happy you are healthy, whole and with Pa, Mom and Uncle Terry. You were always there for me... taking care of me as a kid, teaching me the sewing basics, being my safe place, taxiing jr high me around, always being up for a trip to Walmart, being there for high school events, traveling to college events and loving my babies and sneaking them candy when we'd visit... just to name a few. You'll always be in my heart.*
