“ *Jerry has been a part of the Bradley family for over 40 years. We couldn't have asked for a better person to join us. He opened his home on Holidays and special occasions to more Bradley's than he probably expected. He helped our Mother and Dad with numerous projects around the house and was always there to provide help...he knew a lot about a lot of stuff. Most importantly, he took great care of our Sister Cindy for all these years. For that we are very thankful and appreciative!*

Jerry, you will be missed but always remembered. Rest in peace.
