“ Jerry was a good man and I was proud to call him my father-in-law. From the first time we met to the last time we saw each other he was always concerned with the well-being of his family before himself. I have many fond memories of times he would take me to his job sites or let me tag along for coffee with his morning buddies. He will be missed.

“ Jerry was a favorite cousin of mine. I have not been able to see him as often as I would like but always came to see him when in Oklahoma. I know his family will miss him. Hugs and prayers to all and may God bless you.
