“ *What a wonderful, loving aunt, Joann was. She will be greatly missed. My prayers for the family. I'm so sorry I won't be able to attend the services tomorrow. I will be there in spirit.*

“ *My heart felt condolences to the children and family. Just read what JoAnn wrote in my year book in 1960. We were sophomores and she was my first real love. That which she wrote, I will treasure forever. She was a wonderful loving person. After we were no longer together we remained friends. Unfortunately, as happens, everyone goes their own ways. As I said, so sorry to hear of her passing. She made a beautiful lasting influence on my life. JoAnn, here's wishing your soul a peaceful and beautiful rest. With love and gratitude!*

Robert - It was a nice celebration of her life full of tears, laughter and shared memories. She wanted to attend our EHS reunion in April, but had too many health issues.
