“ Dear friend, I am so sorry that I wasn't there for you. I got caught up taking care of my mom, that I didn't stay in touch. This breaks my heart. We did so many things together and had so much fun. The hours we spent in your blue mustang talking about life. You were always so kind and thoughtful. You noticed when I needed things and got it for me. I love you and I hope to see you sometime in Heaven.

“ *As the Wing Commander’s secretary, I had the privilege of working with Joanna often to arrange travel. She was such a joy to work with. We became friends...not just coworkers. I’m very sorry for your loss. Linda Franklin*
