“ Many of my favorite childhood memories are the fun times I had with John who was a year older and had such a creative imagination as we acted as our favorite TV characters at Matt and Mame’s farm or at our respective houses in Chase or Hargrave, KS. Unfortunately, we sometimes exceeded the play boundaries held by our parents! I am so glad a group of my family members and their children & grandchildren got to have a good visit with John and his mother Loretta in their Great Bend nursing home in May 2016 before John moved back to Enid, OK. John always entertained while talking about himself. I will miss you, John, but I know you are in a much better place now with Jean & your parents in God’s House.

Much love,
