“ I will always remember John with a big smile on his face and that silly giggle. I grew up in the Lacey Community and have known John and his family since I was a small girl. Later John became good friends with my in-laws where he and my father-in-law LeRoy became pilots together. I trusted John so well that I let him take me up in the air shortly after they received their pilot license. He got us home safe. John was a good family friend that will be missed.

“ Our sympathy to John's family. He was a lovely person. He was always so sweet to my mother-in-law. Every time she came to visit she would want to go to get her hair done by John. Every time she'd come out and say he had the best fingers while washing her hair. I always enjoyed visiting with John while he cut my hair. He will be missed by many. Dandy & Gary Stinebring
