“ I've been thinking about John for several years. When I looked him today I was shocked to see his obituary. I worked with John from 1981 to 1983 at Southwestern Bell in the panhandle of Oklahoma. Let me tell you, I learned to respect that man and grew to love him as dear friend. I truly believe I owe what am today because of John. Emily and John visited us at our new home in Missouri sometime around 2005 - 2008. It brought back wonderful memories of our time together. Bless you Emily and the family.

“ I was a neighbor of John Wolf when he lived North of Enid. In 2002 we had a terrible ice storm. Many many big tree limbs broke off every where. Our yard was filled with limbs. My husband was fighting cancer at the time. John came over and gathered up all the limbs which made a huge pile. He spent all day burning those limbs for us since my husband was too weak to do it. It took all day to burn all the limbs. John wouldn't leave until they all were burned. That was just one of the many things he did for us. Rest in peace, John. Becky Kucera and family.
