

Johnny Lee Johnson

July 13, 1951 - October 20, 2016

The funeral for Johnny Johnson, age 65, of Pond Creek, will be at 2:00 PM Wednesday, October 26, 2016, at First Christian Church of Pond Creek. Burial will follow in Memorial Park Cemetery, with arrangements by Anderson-Burris Funeral Home. Visitation with family will be Tuesday evening 6:00 – 7:00 PM at the funeral home.

Johnny Lee Johnson was born to Grady and Betty (Gallagher) Johnson on July 13, 1951, in Kermit, Texas, and passed away Thursday, October 20, 2016.

Johnny graduated from Kremlin High School in 1969. He attended Northwestern Oklahoma State University and graduated with a degree in industrial arts education. Johnny married his true love, Jeanne (Romhild) on March 14, 1981. Johnny was a jack of many trades. He worked as a high school shop teacher, handy man, truck driver, and meter reader to name a few. He worked as a store room manager at OG&E for many years and retired in 2013.

Johnny was a real character. He had a million stories to tell and was always ready with a corny joke. He had a heart for helping people and loved his family and friends. Johnny's life was lived in such a way that he had enough experiences to fill several volumes. He will be greatly missed, but his laughter

and stories will continue through those who remember him.

Johnny is survived by his daughter McKiesha Claypole and husband Clint; daughter Shannon Culler and husband Jason; and grandchildren Avery, Kady, Brooks, Reese, and Jaxon.

He was preceded in death by his beloved wife, Jeanne; son Curtis Johnson, parents Grady and Betty Johnson, and brother Luke Johnson.

Memorials may be made to Bennie's Barn.

“ Mr. Johnson was his name when I first became acquainted with him. That would have been in 1974 when I was an 8th grader at Alva Jr. High. Yes, I had the privilege of being one of Mr. Johnson's students in shop class his first year of teaching after college. I have many memories of them times.

It was years later that we became acquainted again as coworkers at OG&E and that is when he became Johnny to me. The guys at work didn't believe he was ever a teacher so I brought a report card to work that was signed by Johnny Johnson. He made a copy of it and it hung on his bulletin board for a long time. I still have that report card today and will cherish it forever. Johnny became a teacher, good friend, and coworker to me and his memories will live forever with me.

McKiesha and Clint, Shannon and Jason my prayers are with you at this time

I was surprised when my mother called this morning from Enid and told me that Johnny had passed. Johnny was one of my best friends in Jr. High and High School. We went to North Enid together then he went to Kremlin and I went to Enid High....but we kept in touch. We both worked farms in Kremlin when Johnny was ran over by a tractor. I visited him often and it was a real miracle he survived! We hunted together, double dated, spent July 4th's together, and got speeding tickets together! We laughed so many times together, I couldn't count the times! The last time I saw Johnny he was working on his mobile home in Pond Creek to move to the lake. Pond Creek was part of my District as Superintendent for the United Methodist Church. In fact, we talked on the phone just a few months ago. Johnny was the kind of friend where you would not see each other for years and then we would meet and pick up right where we lift off. Big John.....I will miss you, brother!
