“ *6/29/1955 was one of the best days in my life, it was the day my mother placed my brother Joseph in my arms to introduce us. Toni here is your brother I know you will love him and help take care of him, and I did. It was like he became mine. I have so many memories of Joseph. I will never forget when Joseph told me about Patti and how much he loved her, you could see it in his eyes he had found his soulmate. Thank God they found each other and Patti gave him his family he always wanted. God Bless my brother and his family. Love, Your Sister Toni and Alan*
