“ Josh was an amazing man. I feel blessed to have met him threw my husband during our last move. He was the type of person that would give you the shirt off his back, or help you move into a townhome with two flights of stairs with an oversized couch (and not complain). He was the kind of person that stands out, and a friend that will never be replaced. I am sorry for your loss, I cannot imagine what you are going threw. I just wanted you to know how much my family appreciated and loved Josh.

“ Mike and Kathy I am sorry for your loss of your son. Words cannot fill the sorrow you may be feeling now. I remember the little boy that would come with his father to come see his mother at work at Far-Gas Co-op. What a man he had grown into. Thinking of you and your family. May God give you the strength during this difficult time.
