I am Marilyn from Rock Springs, Wy. I had a contact from your mother because we graduated together. She lived about 6 houses from me. I was the se and f appointed welcoming committee. I looked her up on fb last night. When I checked later her profile was gone. What did come up was her notice of passing. I knew it was her. She had a special shyness about her, but when she opened up she had a dear sp and rit about her. The only difference was a few pounds and a head of beautiful silver hair. I have thought about her over the years, but couldn't recall her last name. My condolences are sincere even if late. Sincerely, a friend from years gone bye...
