“ Our condolences to Larry and family,

We were shocked to learn of Judy's passing and are grieving with all of you. We haven't seen Judy is several years but have such fond memories of our time together while living in Massachusetts and visits to Dallas. Judy was one of a kind. We remember her as being just a wonderful, caring human being and being completely nonjudgmental. It was such a privilege to have Judy's friendship and we will remember her always.
