

Judy Grace Huhman

November 15, 1944 - November 16, 2025

Judy Grace Huhman, 81, of Enid, Oklahoma, passed away on November 16, 2025, just hours after celebrating her birthday, surrounded by family. Born on November 15, 1944, in Sheridan, Wyoming, she carried a lifelong love for the mountains and open spaces of her childhood.

Judy was a gifted communicator and lifelong advocate for others. After earning her degree in speech therapy from Phillips University, she spent 10 years at the Oklahoma School for the Deaf in Sulphur, where she became an expert in American Sign Language and worked with the pioneering team that taught sign language to chimpanzees, including Lucy and Washoe. She later settled in Enid and worked more than 20 years at NORCE, continuing her quiet, steady work supporting individuals with disabilities.

Beyond her career, Judy poured her energy into the things she loved—Master Gardeners, writing, book clubs, genealogy, and lifelong learning. She also served as a guardian and advocate for the disabled, standing beside those who needed a voice.

In 1979, Judy married Anthony Huhman, and together they raised four sons: Jason, Joe, Jeremy, and John. Her greatest joy was being a wife, mother, and Mimi to her five grandchildren—Riley, Trenton, Brayden, Hannah, and Ashlynn. Her strength, loyalty, and deep love shaped her family and everyone

who knew her.

Judy is survived by her husband Anthony; sons Jason (Renee), Joe, Jeremy (Tracy), and John (Joanna); and grandchildren Riley, Trenton, Brayden, Hannah, and Ashlynn. She was preceded in death by her parents, Russell and Eula Darlene Elliott.

A viewing will be held from 8:00 a.m. to 8:00 p.m. on Thursday and Friday, November 20th and 21st, at Anderson-Burriss Funeral Home. A memorial service honoring Judy's life will follow at 10:00 a.m. on Monday, November 24th. at Anderson-Burriss Funeral Home Chapel.

Donations may be made to Anderson-Burriss Funeral Home, where they will be distributed between Dolly Parton's Imagination Library and the Enid Master Gardeners—two causes that reflect Judy's lifelong love of reading, learning, and growing things.

Judy's legacy of love, resilience, and quiet strength lives on in the generations she leaves behind.

“ Prayers of comfort for your grieving hearts. What a shock! Judy was one of the most unique & wonderful friends to ever come through my life. She & her family gathered me in when I moved onto their street in 2005. She helped so much with a variety of things! 🥰🌿🐕
□ & we enjoyed many garden/plant conversations with 🍷 . I'm still propagating Big Red Judy Coleus in her honor as she turned me on to it years ago. Your passing leaves a HUGE empty place in all our lives

“ I was a high school classmate and friend of Judy's during high school years. She was a wonderful person who was very driven to go onto a career which she obviously loved. I am so sorry we did not connect much after high school, as we both went different directions. I know she had a wonderful family who loved her so much and will miss her greatly. My deepest sympathy goes out to her family and friends.

Judy was a pillar of our master gardener program, frequently sharing her great wealth of knowledge. She was well read, always finding, reading, and sharing the best books. She will truly be missed by everyone who knew her. She deeply loved her family, always bragging on their recent accomplishments. Prayers for all her family and friends.

“ My thoughts and prayers go out to Judy’s entire family!
Judy shared a lot of things with me, I will never forget her allowing me to be apart of her wonderful dinners.
The manner in which dinner was held in her household has been with me for years and I feel blessed to have been exposed to that practice.
Rest well beautiful lady.
