“ I'm here celebrating the life of Mom! We have a lot to celebrate and sharing memories keep her spirit with us! Here's one to make you chuckle. Mom used to get song lyrics mixed up. Once we were driving down the road and Mom blurted out something indicating her shock and horror and turned the radio station. I was confused. It was just Sting, singing Set Them Free. What's so shocking about that? Well, Mom thought he was singing sex-filled dreams.

Mom used to listen to this song and said she wanted it played at her funeral, long before she was to have a funeral. At the time I side-lined the thought, because no one wants to think of their mother dying. Now I think back on it and cherish her sharing her wishes. I miss Mom so much. It's been some time, so it's a little easier to talk about it, but not to my family. I don't want to make them cry. -Love you Mom! Cathy Mae
