He was an OU fanatic who enjoyed family cookouts to cheer on his Sooners. Julio was truly loved by all who knew him.

He was preceded in death by his father-in-law, Ron Kucera.

He is survived by his loving wife, Jamie of the home; four children, Kucera Aguilar and Jazlyn Aguilar, both of Enid, Mariah Cornish of Tennessee, and

“ *The first time I met Julio was in an interview for a PE job at Garfield. Carolyn and I were both impressed by his charm and humor. He told us right up front that he could not speak Spanish and his first name was pronounced with a hard J. We knew he was exactly what we were looking for and we were lucky enough to get him. All of the students loved and respected Mr. Aguilar and he made a difference to hundreds. Prayers and love to Julio's family. So sorry.*

“ Attended NOC with Julio. We spent more time in class talking about the Sooners than our class work. He was always kind to others and was a good dude. Prayers for his family.

“ *Julio was such a gentleman. I never entered the gym at Garfield without him searching out a chair for me to sit down. He always had a smile on his face and such a warm heart. I personally witnessed him changing the lives of troubled students because of his compassion. He will be truly missed. My prayers go out to Jamie and his family.*
