“ Karen was a very lively person and had a great personality. She joined Senior Life Network and attended several programs, lunches and parties. She always let you know what she was thinking. Prayers for her family.

“ Karen and I became Good Friends when she became a Volunteer at my employer, INTEGRIS Enid Hospital (formerly Bass). Despite her issues, Karen was always upbeat. I will miss our conversations about the Revival Conferences that I frequently attend. She loved to hear about them but especially about the Tent Revivals. We both reminisced about the sawdust that she spread on the ground when we were young. Karen always requested prayer. Sadly, we didn't get to visit often but stayed in contact with text, as well as, her pop-in visits to our Gift Shop and my office. She considered me a Sister in Christ and I considered her to be mine. I had the pleasure of visiting with her shortly before she passed. I will miss her dearly.
