“Karen was such a sweet lady and a wonderful neighbor. We always enjoyed visiting with her when walking our dog. Even after her own little dog passed away she kept treats for our Winfield on her porch and told him he could cut through her yard if he wanted to walk on the trails behind her house. We were so sad when we heard the news that she was no longer with us. We'll always miss you, Ms. Karen. All our love and prayers to your family. David, Angela and Winfield Combs

This makes me so sad, but when I think of all of the years that we have had so many good talks and laughs, I can't help but to laugh right now! Way back to when she worked at Reeser's. Karen was such a wonderful person with such a big heart! You never knew what she was going to say, but it was always funny. We did have a lot of serious talks that I will always remember. I am going to miss you so much Karen. Until we meet again. I am praying for you Lynn and all of your family.

Love, Rhonda Griffith
