“ I don't think I was ever around Kay that she wasn't smiling or outright giggling. As a young kid she was always cutting up. She never changed as I grew up. Always happy. I will miss her greatly. ”

“ Aunt Kay was more than a barrel of laughs! If you spent any time around her, you know what I mean. Her laughter, would brighten any place she was present! I will never forget the many family get togethers, with Aunt Kay, and Aunt Liz entertaining us all! I believe Uncle Gary was one of their biggest fans, egging them on to longer performances. I never seen her in a bad mood, always a welcoming smile. I love you Aunt Kay, and will miss you always.

“ *She loved all of her family and friends. She will be deeply missed but we will remember all of the great times we spent with her. She was our rock and taught us well. Her faith was unwavering and she now has her place in heaven
We love you grandma.*
