“ I have many good memories of Kendall as we grew up in Keyes, OK, and we were classmates for 12 years, and then we and a few other classmates attended Northwestern together. Kendall was kind and always had a smile. My husband and I visited with Kendall a few years ago and enjoyed hearing Kendall talk about his work, friends and fishing. Prayers for Kendall’s family and friends. Loretta Hiner Arthaud

“ I have so many memories of Ken and Barbara at the “farm”. They would come and sleep on a blow up mattress so they could have more time to fish. We had a great time with them. Lots of laughter and fun. Portia Pratt Clayton
